

## Who We Are

The Navy League of the United States, Sacramento Council is a non-profit civilian service organization, with over 200 members, that has supported the Sea Services in the Sacramento area for over 50 years. The Navy League was founded in 1902, and is comprised of 65,000 members in 250 councils worldwide.

## What We Do - Local Impact with a Global Role

We are dedicated to supporting local sea service youth organizations and Sea Service elements of our Armed Forces. We are also charged with the responsibility to inform and educate the American people and elected officials that the United States of America is a maritime nation and that its national defense and economic well being are dependent upon strong sea services – United States Navy, United States Marine Corps, United States Coast Guard and United States Merchant Marine.

## What We Ask

Whether you served in uniform or not, we invite you to join us today as a member or as one of our corporate partner/donors. Our mission, “in Support of the Sea Services,” reflects both our commitment and our broad Citizens appeal to everyone concerned with supporting our youth and our men and women in uniform.
