The United States of America is a maritime nation whose national security and economic wellbeing has always been dependent on strong Military and Merchant Marine capabilities. Since its founding in 1902 the Navy League has been the preeminent voice to Congress for a strong Maritime posture.

The 2018 SeaPower Luncheon is sponsored by the Navy League of the United States, a 501c3 non-profit organization whose mission it is to support the Men and Woman of the Sea Services of the United States: The Navy, Marine Corps, Coast Guard and US Flag Merchant Marine; and youth organizations such as the Naval Sea Cadet Corps, Young Marines, and Navy and Marine Corps Junior ROTC units.

SeaPower 2018 will enable the Navy League Sacramento to fund vital morale and welfare initiatives for active and reserve Sea Service commands, and support STEM Program outreach and scholarships for Sea Service youth organizations.

Attendance and Sponsorship of SeaPower 2018 will help to ensure Navy League mission success in the greater Sacramento area! Thank you for your support! www.navyleague.org
